

# PRESTIGE Learning Center

## PARENT RESOURCES

### **HEALTH & SAFETY**

#### **Our Health and Safety Standards:**

We continue to monitor and adhere to all guidance from the Centers for Disease Control (CDC) and U.S. government to ensure that we are taking all necessary preventative measures and acting on each directive that affects PRESTIGE Learning Center.

#### **Our Commitment to Health and Safety:**

Inside and out, the details of our center have been deliberately picked for the purpose of keeping your child healthy, safe, happy, and giving them the best possible early education experience. Your child's safety and health are our top priorities – and we've taken every step to make sure they're safe and secure while they spend their day with us.

Our enhanced safety standards and measures include:

- Cleaning and disinfecting
- Healthy distancing
- Protecting others
- Practicing great hygiene
- Safe drop-off and pick-up

We also assess every child's health by talking with parents and monitoring for symptoms during each child's day with us. We increase assessment during flu season.

We notify parents when a child does not feel well to help prevent an illness from spreading.

### **WORKFORCE SOLUTIONS**

Covid-19 has affected our community in many facets. Employment is one of them.

PRESTIGE Learning Center cares about the WHOLE Child and Family. If your family needs economic assistance regarding job placement, please visit:

<http://www.twc.state.tx.us/>

### **HOW TO APPLY FOR NEIGHBORHOOD CENTERS, INC. FINANCIAL AID:**

## **CHILD CARE TAX CREDIT RESOURCES**

A tax credit is a dollar-for-dollar reduction in taxes owed. Some credits are refundable – taxes can be reduced to the point that a taxpayer receives a refund instead of paying taxes. A tax credit is even more valuable to families than a tax deduction.

Under current federal law, eligible families can claim childcare tax credits\* up to:

- \$2,100 from the federal Child and Dependent Care Tax Credit (***up to*** \$1,050 for each of your first two children; the exact amount depends on your income and actual childcare expenses);
- \$2,000 per child from the federal Child Tax Credit; and
- \$6,660 from the federal Earned Income Tax Credit. (The exact amount depends on your income)

Detailed information on federal childcare tax credits for parents is available from:

- The Internal Revenue Service: Call (800) TAX-1040 or (800) 829-1040
- Tax Information for Parents:
  - Child and Dependent Care Tax Credit
  - Child Tax Credit
  - Earned Income Tax Credit
  - The National Women's Law Center

\* Credit amounts may change from year-to-year, are usually dependent on total family income and size, and may be subject to maximum income or childcare spending limitations. Consult your tax advisor, the IRS, and state revenue officials to confirm your eligibility.
