Center Model

At the PRESTIGE Learning Center, your child will be loved, respected, and encouraged by dedicated, caring, and trained teachers/caregivers. The primary focus of our staff is to give loving attention and precious time to your child. We understand that our influence on your child will help them reach their potential for development and growth in all areas of his/her life. Our teachers and caregivers attend Early Childhood Development and Education workshops, seminars and training throughout the year. They stay current on early childhood education and improve their teaching with new ideas and activities. Our Director is regularly seeking for innovational ways to improve your child's stay in our Center. PRESTIGE Learning Center thrives to be an exceptional place for your child so you can have the peace of mind that he/she will be well taken care of during his/her early, formative years.
