#### *OTHER EVIDENCE OF TEACHING, STUDENT LEARNING, AND THE SCHOLARSHIP OF TEACHING*

I have facilitated/presented a staff professional development titled Persistence and Optimism of a Teacher and modeled and provided strategies related to maintaining the aforementioned key elements of teaching. I have interned in an Undergraduate Reading course under the instruction of Dr. Ingrid Haynes and during my Graduate Studies at Texas Southern I coordinated a Neighborhood Literacy Night for surrounding Elementary schools' students and parents, under the instruction of Dr. Debra Hill.
